

Build Your Master Brain, Focused Questionnaire

Branches B1 · Facilitated by The Creative Strategist

Your Master Brain is a single, AI-ready document about your business. Once you have it, every AI tool you use produces work that sounds like *you*, instead of generic content. This focused questionnaire captures the essentials in about 20 questions. Answer in your own natural voice; rough, honest answers are exactly what we need. The AI fills in the polish.

Estimated time: 20–25 minutes.

Part A, Start With the Seed Paragraph

Fill in this quick paragraph first. It gives the AI a baseline to work from before you go deeper in the questions below.

My name is _____. My business is _____, based in _____. We help _____ with _____. What makes us different is _____.

Part B, The 20 Questions

You & Your Brand

- 1. What's your name, your role, and your business name, and where are you based?** *Example: "Maria Lopez, Founder, Sweet Layers Bakery, Miami, FL."*
- 2. In 2–3 sentences, what does your business do?** Explain it as if to someone who knows nothing about your industry.
- 3. What's your story, how did you get into this, and what's the deeper "why" behind it?** *Career pivots, defining moments, what drives you beyond money.*
- 4. Describe your personality and brand in 5–7 words.** *Example: "Warm, detail-obsessed, joyful, dependable, family-first."*
- 5. What's your mission (why your business exists), and your top 3 values?**

Your Offer

6. List your main products or services, one line each.
7. Which offering brings in the most revenue, and which are you most passionate about delivering?
8. Do you sell to individuals (B2C), businesses (B2B), or both? Briefly, what's the journey from first contact to finished sale?

Your Customer

9. Describe your #1 ideal customer in a few sentences. Who are they? What do they want most?
10. What problem do you solve for them, and how do they feel after working with you?
11. Where do your ideal customers spend their time? *Platforms, communities, events, associations.*

Pricing & Goals

12. What are your rough price ranges, and how do you decide what to charge?
13. What's your #1 measurable goal for the next 12 months? *Example: "Reach \$120,000 in revenue" or "Grow to 30 orders a month."*

Your Voice

14. Describe your communication style in 3–5 words, and list any signature phrases or sayings you use often. *Example: Style, warm, direct, encouraging. Phrase, "Marketing is an investment, not an expense."*
15. What should AI NEVER say or do on your behalf? *Words, tones, or claims that feel wrong for your brand.*

What Makes You Different

16. Who are your top 2–3 competitors or alternatives, and what makes you different from them?
17. Complete this sentence: "We are the only _ *that* _." If "only" feels too strong, rephrase it however feels true.

Marketing & Tools

18. Which marketing channels do you use now, and which work best for you?
19. What tools, software, or AI do you currently use to run your business?

Signature & Final

20. Share one signature story, analogy, or saying that captures what you're about, plus anything essential we haven't asked.

Once complete, paste your seed paragraph and answers into the Master Brain generator prompt to build your document.
